问题描述

iMC告警邮件中的内容总是包含XX地点XX联系人，如何处理

解决方法

其实该两点内容对应于资产中的所属位置和维护人，正确填写即可

The screenshot displays the '资产信息' (Asset Information) form in the iMC system. It is divided into two columns. The left column contains fields for '固件版本' (Firmware Version), '软件版本' (Software Version), 'ERF部件编码' (ERF Part Code), '最后轮询时间' (Last Polling Time), '所属单位' (Belonging Unit), '维护人' (Maintainer), '产品编号' (Product Number), and 'IP地址' (IP Address). The right column contains '维保期剩余' (Warranty Period Remaining), '单板序号' (Single Board Serial Number), '资产CLEID' (Asset CLEID), '所属位置' (Belonging Location), '说明' (Description), '维护人联系方式' (Maintainer Contact Information), '当前软件版本' (Current Software Version), and '系统名称' (System Name). Two red rectangles highlight the '维护人' field in the left column and the '所属位置' and '维护人联系方式' fields in the right column, indicating the correct fields to be filled for the alert email.
