

知 Does H3C equipment support the use and parameter reading of third-party optical modules?

Switches 龚训杰 2021-02-19 Published

Problem Description

Does H3C equipment support the use and parameter reading of third-party optical modules?

#### Solution

1. The use of third-party optical modules is not guaranteed.
2. The parameter reading of third-party optical modules is not supported.
3. It is recommended to use the original H3C optical modules.
