VG2000/3000系列修改自带的MAC地址的方法

李丹【技术大咖】　2008-09-22 发表

在启动过程中（提示ctrl+b之前），按下ctrl+t，即可进入修改MAC地址菜单。完整的
过程如下：

```
*************************************************
*                                               *
*   H3C Voice Gateway BOOTROM, Version 1.12   *
*                                               *
