ISDN PRI POTS and Logic Interface In MSR Series

Keywords: MSR;ISDN PRI; POTS

Q: Undering one E1 interface(Controller E1 1/1), How to config POTS entity of ISDN PRI interface(Serial 1/1) match with logic interface(the number used here is 0101001) ?

A:

```
[Sysname-voice-dial-entity1001] match-template 0101001
```

```
[Sysname-voice-dial-entity1001] line 1/1:15
```

```
[Sysname-voice-dial-entity1001]quit
```
